- network security coordinator

Further Study Options
When you finish this course, you can apply to study Advanced Diploma of Information Technology (Network Security) (R10341), or you can apply to study the Bachelor of Information Technology (Network Security) (20524) at Meadowbank College. This is a three-year professional degree offered by TAFE NSW Higher Education that prepares you for employment as a network security specialist in this fast growing and dynamic industry. The
course includes presentations and case studies by leading professional experts, so that students develop tools and techniques for solving security issues and challenges facing the business world today.

If you have successfully completed the Diploma of Information Technology Networking and Certificate IV in Information Technology Networking, you may be eligible to receive up to 8 units of credit (equivalent to 1 year) towards the Bachelor of Information Technology (Network Security) (20524).

The Recognition of Prior Learning process involves matching subjects you have successfully completed in your Diploma against degree subjects, other studies and proven work experience may also be taken into consideration.

**What are the units I am required to complete?**

<table>
<thead>
<tr>
<th>Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>ICAICT418A</td>
<td>Contribute to copyright, ethics and privacy in an IT environment</td>

**How much is the course?**

AUD $23,920

Payment for your course will be required once you have been issued your offer letter with an invoice. For information regarding fees please see the Courses and Fees section of our website.

wsiinternational.tafensw.edu.au/international-students/courses-and-fees/

**How do I apply?**

You can apply online, by email, post or through a registered agent. Follow the steps on the How to Apply section of our website and download a TAFE NSW International Student Application Form.

wsiinternational.tafensw.edu.au/international-students/how-to-apply/

**Course length**

1 year

International students are required to study on a full time basis (minimum 20 hours per week). You will be given your timetable when you arrive at the College Orientation Program.

**Visa requirements**

Before applying for a student visa, students must complete a TAFE NSW International Student Application Form. Approved applications will receive a letter of offer or assist with organising a visa. Students must apply for a visa in the correct visa subclass, which relates to the principle course of study they wish to undertake. Visit the Australian Department of Immigration and Border Protection website for the full list of conditions.

**What Support Services are available?**
The following expert support services are available to assist you throughout your course:
International Student Coordinator, Counselling and Career Development services, Disability Support, Library, Tutorial Support and assistance with accommodation and Job Placement.
